

In our continuing pursuit of excellence, we embrace change.

Strata Geosystems (India) has made impressive strides in the Indian geotechnical industry.

We have stood for uncompromising quality and striven for the highest service standards.

Your faith and support has provided the impetus for our efforts, and for that, we are grateful.

In our ongoing endeavor to sustain a competitive edge, we are going global!

Already, under our recent brand revitalization program, we have transformed our identity. This signifies the renewed vigour and dynamism with which we approach new challenges.

With the adoption of state-of-the-art technologies, and having expanding our product lines, we are now better equipped to deliver safe, innovative, timely and economical solutions.

Our international alignment will only further strengthen our synergies and help us serve you better.

Change is refreshing, and change is essential. The one thing that won't change, however, is our unwavering commitment to our valued customers.

We look forward to an enduring and mutually rewarding alliance with you!
